Regulation to amend the Regulation respecting the issuance of competency certificates

Act respecting labour relations, vocational training and workforce management in the construction industry (chapter R-20, s. 123.1, 1st par., subpars. 5 and 8)

1. The Regulation respecting the issuance of competency certificates (chapter R-20, r. 5) is amended by adding the following after section 2.1:

“2.1.1. Until 31 December 2025, the Commission must issue an apprentice competency certificate for a construction trade to a person who holds a skills training certificate

for that trade, which confirms that the person has met the requirements of a program of studies authorized by the Minister of Education, Recreation and Sports pursuant to the Education Act (chapter I-13.3) and leads to the trade of carpenter-joiner, tinsmith, heavy equipment operator or shovel operator.

The person must also meet the following conditions:

(1) have obtained the certificate between 1 January 2024 and 30 June 2025;

(2) furnish proof that the person has successfully completed the safety course required by the Safety Code for the Construction Industry (chapter S-2.1, r. 4); and

(3) the person’s employer, registered with the Commission, files a workforce request, guarantees that person employment for not less than 150 hours over a period not exceeding 3 months and provides the Commission with proof of the guarantee.

It is understood that a skills training certificate (AEP) referred to in the first paragraph does not constitute a school leaving certificate in vocational studies or recognition related to a program of vocational studies, as vocational studies are attested by a vocational training diploma (DEP).”

2. Section 7 is amended by inserting “2.1.1,” after “2,” in the second paragraph.

3. This Regulation comes into force on the fifteenth day following the date of its publication in the *Gazette officielle du Québec*.
