Draft Regulation

Act respecting the Québec correctional system (chapter S-40.1)

Regulation

— Amendment

Notice is hereby given, in accordance with sections 10 and 11 of the Regulations Act (chapter R-18.1), that the Regulation to amend the Regulation under the Act respecting the Québec correctional system, appearing below, may be made by the Government on the expiry of 45 days following this publication.

The draft Regulation amends the Regulation under the Act respecting the Québec correctional system (chapter S-40.1, r. 1) mainly to reinforce security at correctional facilities administered by the Minister of Public Security. For that purpose, various amendments would be made to the provisions concerning the searches that may be conducted at the facilities. Body scan searches would be added to the types of searches to which inmates and members of the personnel may be subjected. Such body scan searches would be conducted using a device that can detect items hidden on a person. Rules would also be introduced to prevent attempts to avoid a body scan search.

In addition, certain items likely to endanger security at a correctional facility and the safety of the persons present there would be prohibited, mainly to allow the use of administrative segregation where there are reasonable grounds to believe that an inmate is hiding contraband on his or her person.

Lastly, the draft Regulation proposes certain adjustments to the provisions relating to the right to the review of a decision made by a discipline committee, in keeping with amendments made to the Act respecting the Québec correctional system (chapter S-40.1) by the Act to amend various provisions relating to public security and to enact the Act to assist in locating missing persons (2023, chapter 20).

The draft Regulation has no impact on the public or on enterprises, including small and medium-sized businesses.

Further information on the draft Regulation may be obtained by contacting Isabelle Mailloux, Director General of Security, Sous-ministère des services correctionnels, Ministère de la Sécurité publique, 5199, rue Sherbrooke Est, Montréal (Québec) H1T 3X1, bureau 2931; email: isabelle.mailloux@misp.gouv.qc.ca.

Any person wishing to comment on the draft Regulation is requested to submit written comments within the 45-day period to Amélie Marcheterre, Director General, Direction générale aux programmes, au conseil et à l'administration, Sous-ministériat des services correctionnels, Ministère de la Sécurité publique, 2525, boulevard Laurier, 11^e étage, Tour du Saint-Laurent, Québec (Québec) G1V 2L2; email: amelie.marcheterre@msp.gouv.qc.ca.
