Solid waste removal in the Montréal region — Amendment

Notice is hereby given, in accordance with section 5 of the Act respecting collective agreement decrees (chapter D-2), that the Minister has received an application from the Comité paritaire des boueurs de la région de Montréal to amend the Decree respecting solid waste removal in the Montréal region (chapter D-2, r. 5) and that, in accordance with sections 10 and 11 of the Regulations Act (chapter R-18.1), the Decree to amend the Decree respecting solid waste removal in the Montréal region, appearing below, may be made by the Government on the expiry of 45 days following this publication.

The draft Decree amends the definition of “solid waste” to specify that large and bulky trash are included in the definition, whether they are from the residential, commercial or industrial sector. The draft Decree also excludes from the scope of application of the Decree respecting solid waste removal in the Montréal region social or community non-profit organizations that carry out the collection, transport or unloading of solid waste by their own employees and for their own account.

The regulatory impact analysis shows that the amendments will have no impact on the enterprises subject to the Decree.
